Town of / Ville de Penetanguishene

## Zoning By-law Review Project

The Town of Penetanguishene has initiated a review of its Zoning By-law. The outcome of this project will be a new Zoning By-law that applies to the entire Town. We are currently at Phase 1: Background Review Study of this project. The Town hosted a Zoning for the Future Symposium that explored how the Town's plans for the future can inform the zoning that is prepared today. The video of the Symposium can be found on the Town's YouTube channel. For more information Contact [abetty@penetanguishene.ca](mailto:abetty@penetanguishene.ca)

## Toward a new Strategic Plan

We all know Penetanguishene is a remarkable small town with many opportunities, both today and for the future. At the same time, our community, like others, is not without its challenges. In order for us to anticipate the future and plan for it, we need to first identify what's most important, so we can then act in a way that is most effective and responsible.

To make sure we get it right for 2023 and beyond, we've been working on our Strategic Plan by getting your input on the most important issues and opportunities you feel should be the focus for the Town moving forward. Visit [www.penetanguishene.ca](http://www.penetanguishene.ca) for all the details.
