Penetanguishene

NOTICE: Emergency Road Closure

The Town of Penetanguishene advises residents and motorists of an emergency road closure on **Robert Street East,** between Lecarron Avenue and Dufferin Street, due to a watermain break.

The Town of Penetanguishene Public Works team, in conjunction with Morden Construction, is currently on site responding to the situation. The road will remain closed until repairs are completed.

Emergency services will continue to have access to the area. Residents and visitors are asked to avoid the area and follow the posted detour route.

The Town appreciates the public's patience and cooperation while crews work to restore services and reopen the roadway as quickly and safely as possible.
