CanSkate 1 & 2 are designed for young beginning skaters, ages 3-12. Skills are focused on teaching safe, independent skating, starting from how to get up when you fall, and moving through stops, turns, and beginning edge work.

CanSkate 1: Saturdays 10:45-11:15, Wednesdays 5:15-5:45
CanSkate 2: Saturdays 11:15-11:45, Wednesdays 4:45-5:15

Teen Beginners

Teens may want to enroll in our new CanSkate Teen class. Skaters will learn the same "learning to skate" skills as the CanSkate 1 and 2 classes, but with an older peer group.

Saturdays 10:00-10:45, Mondays 5:15-6:00

Intermediate Youth

Once skaters have learned the skills of our CanSkate classes, they may move into either our PowerSkate or PreStar classes. PowerSkate is for hockey skaters who want to improve their efficiency, speed and power on the ice. PreStar classes will teach beginning spins, jumps, glides, and edge work for skaters who want to advance into figure skating.

PowerSkate: Mondays 4:30-5:15
PreStar: Saturdays 10:00-10:45, Mondays 5:15-6:00

Adult Beginners

We have been expanding our adult "learn to skate" classes, where adults who have never skated, or don't feel confident in their skating, can learn from experienced coaches with space on the ice to feel safe as they learn.

Mondays 7:00-7:30, Saturdays 10:15-10:45

Figure Skaters

We offer STAR figure skating classes three times a week. These classes are for adults and youth – we have no age restrictions for these classes! Skaters can compete, or just work on jumps, spins, and ice dance for the joy of it. Prerequisite skills required – this is not a beginner class!

Saturdays 8:30-10:00, Mondays 5:45-7:30, Wednesdays 5:45-7:00
