

Graffiti Reporting Form

The Town of Penetanguishene is committed to providing a community that is safe, healthy, livable and welcoming to all residents and visitors.

Leaving property "tagged" gives vandals a sense of ownership of the structure they have marked. Speedy removal of the graffiti removes this sense of ownership the vandals were hoping for. Graffiti is illegal and hurts the communities of the Town.

Locating Graffiti

Upon locating graffiti, members of the public may contact the formally report where the graffiti was sited (identify site, building, description, nearest intersection etc.).
